Course Description

Teachers will visit and explore two outstanding Nassau County-area community resources of interest to students at any grade level: The Intrepid (Sea, Air and Space Museum) Museum and the Space Shuttle Pavilion. In addition to these two sites, you will visit two other sites of your choice. Information and enthusiasm about these four “community classrooms” can then be shared at your school site and in your classroom through fieldtrip opportunities, cultural activities, and enriching educational experiences for your students.

Course Objectives

Teachers will:

1. Visit the two venues listed above
2. Visit two other educational sites of your choice.
3. Research information about the sites before visiting
4. Obtain information from the visits and the research to determine if:
 - a. the sites are worthy of a student field trip
 - b. classroom lessons can be developed from the experience
5. Evaluate the experience as to its relevance to an educator

Instructions for coursework submission:

Written Assignments

Your coursework should be created in a document that can be emailed directly to the instructor. Coursework should be typed, double-spaced with size 12 font. Reflection write-ups should be one or more pages in length and address every question in the coursework. Pictures and documents may be scanned and posted along with your Word or PDF file of written assignments. Label everything carefully with the assignment number and make sure that your name and email address are easy to locate.

Visit four sites and submit responses for EACH location.

IMPORTANT - Camera images can be very large files. Save the images in lower definition resolution in order to keep document file sizes down for emailing.
